

## **PRAU Membership**

Dear PRAU Member,

**ARE YOU PAYING YOUR PRAU MEMBERSHIP AND SUPPORTING THE PROGRESSION OF THE PUBLIC RELATIONS PROFESSION IN UGANDA? IF NOT,**

### **HERE'S WHY YOU SHOULD (BENEFITS);**

- **Legal status;** PRAU aims to promote the development of public relations through statutory recognition and accreditation. PROs/communicators will be able to receive certification from PRAU of their professional experience and expertise in the field of PR.
- **Project implementation;** PRAU will be economically empowered to implement the planned annual initiatives for the benefit of all members as the activities are designed to empower, up-skill, educate and professionalize PRAU members.
- **Advocacy and lobbying;** PRAU will actively foster public relations practice in all organizations through public awareness and sensitization using its members to act as opinion leaders thereby building the reputation and profiles of its members.
- **Professional development;** PRAU will be in position to organise trainings, lectures, discussions, conferences, meetings, tours, and seminars for practitioners and organizations to enable them learn and share experiences and knowledge in the field.
- **Consultancy & Benchmarking;** PRAU will be in a better position to provide consultancy and advice to members on public relations practice by strengthening the Secretariat and its operations to offer meaningful solutions to member institutions.
- **Center of Excellence;** PRAU will be able to act as a clearing house by giving professional endorsement/references to its members which will strengthen their credentials and favourably position them for hiring purposes. Also ensure that members adhere to a high code of conduct that governs the profession.
- **Learning and Development;** PRAU will be able to institute programs to empower Mass comm. Students in universities to improve the profession's ethics and the caliber of young professionals.
